Forecast For East of England
Issued by Met Office Exeter
at 0400 on Friday 09 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny start, showers later.

Today:
A sunny start across the region however showers quickly developing across inland areas from late morning and becoming slow-moving and heavy this afternoon. Possibly cloudy along parts of the North Sea coast during the morning, but turning sunnier later. Maximum temperature 24 deg C (75 deg F).

Tonight:
Showers will fade away early this evening leaving a mainly dry night with intermittent cloud. Becoming cloudier during the early hours of the morning with rain approaching from the south. Minimum temperature 13 deg C (55 deg F).

Saturday:
Rain continuing across the southern half of the region this morning, before slowly moving east and fading away. Cloudy across the north, with a risk of showers late afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
An unsettled outlook with heavy showers developing on Sunday and Monday, possibly with thunder. Cloudy on Tuesday with heavy showers across the south and east.
